How many ways can I say I love the weather in the spring and summer? We have so many things on the calendar and so much going on at the club. We had to reschedule races for the May Day regatta, but the blessing of the fleet and crawfish races were memorable. The ladies again pulled off another great event. Thank you, First Mates.

We moved the Charter Day regatta to the first of June so come on out and enjoy what has been some good competitive racing. The spring racing will continue into June with the last of the spring series, Race to the coast, Challenge Cup and Gulfport to Pensacola races. We will all be ready for a short break by the end of this month.

The Entertainment guys and girls have put together another fun event so come out the evening of the first and flip-flop into summer. The details are in this issue.

The Friday night drawings have changed a little bit. We still add \$40 a week but we have uncapped the total and moved the drawings to 9 p.m. Hopefully this will generate a little more excitement and take the drawing out of the middle of dinner service. We will also be posting the lucky and not so lucky winners in the Spyglass and at the club. Do your part to be on the lucky side of those lists.

Work continues in the juniors yard and up in the bar area, please step up and help out when you can. Remember the juniors are our future assets and will be the future of the club when some of our boating days have passed. Summer camps start the first week in June and continue until after the forth of July. There are still spots available so pass the word around. We have a great group of instructors and one of the best teaching programs in the area so help get the word out and help us develop the next generation of sailors. When you see Jimbo and J.B. thank them for their generous donation to the juniors program.

We will again be participating in the Challenge Cup so come support your racers the 14th, 15th and 16th in Gulfport. This is always a fun trip and a great venue to be enjoyed.

After an unpredicted sequence of events we can also welcome Steve and Dodie Jones back home. Welcome back, we'll put you back to work as soon as your feet are firmly planted.

Once again I have said enough so get out there, enjoy all the activities planned and be a part of our great group of friends!

TYC Race Continued...

Wayne Jablonowski

May Day Regatta, Saturday May 11, was postponed due to perceived nasty weather, and I had to take a heap of good natured ribbing for making the decision to postpone. I expect elsewhere you will see some photos of the great weather at the postponed start time. But all was not lost, the Blessing of the Fleet and Crawfish Party afterward were great fun put on by the First Mates, THANKS GALS! We rescheduled the races and had 3 great races on Sunday, May 18.

Charter Day Regatta,

when making the schedule this year we didn't take into consideration that May 25 was part of the Memorial Day Weekend. After discussing this with many members, the consensus was to re-schedule, so Charter Day Regatta has been re-scheduled for Saturday, June 1. First start for 10:00 a.m., come out for some championship racing!

Race to the Coast, Gulfport to Pensacola, and The Inaugural Sawgrass Offshore Series
June 8 is the Race to the Coast, followed 2 weeks later by Gulfport to Pensacola.

From Guy Brierre, Southern YC;

Letting everyone know that the NOR is up for the Race to the Coast June 8th. Remember the race now starts near Slidell so northshore folks can join in the fun and get their boats over to Gulfport for Challenge Cup and/or Pensacola Race. NOTE: To make it easier for everyone the Skipper's meeting Friday night is now optional, no need to drive in just for the meeting, all updates will be on the registration site.

NEW THIS YEAR:

- 1) The Inaugural Sawgrass Offshore Series (SOS) sponsored by SYC will award the top combined fleet finishes between the RTC and Gulfport to Pensacola races. Trophies for 1-3 overall and a perpetual trophy. Entry in the Sawgrass series includes a VOUCHER FOR A PITCHER OF BUSHWACKERS at PYC!
- 2) We will be using Kattack trackers using SPOT or cell phone for both races this year. Unfortunately this means the wives will know when you really got to Pensacola...

Place on your calendars these upcoming events!!!

June 1, Saturday	Charter Day Regatta
May 29, Wednesday	Spring Series 3, Race 4
June 5, Wednesday	Spring Series 3, Race 5
June 8, Saturday	Race to the Coast

As I always ask, any suggestions or complaints, any way to make our sailing and racing better, more enjoyable, and to generate more participation, let me know.

TYC First Mates

Gloria Poole

First Mates hosted the annual Blessing of the Fleet on May 11th. The weather did not cooperate for the race in the morning, but by afternoon it was beautiful. We started off on the dock with Dick Almos blessing the boats. Dick did a wonderful job as always, thank you Dick.

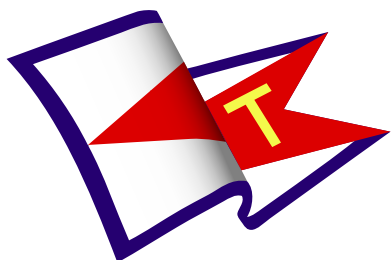

Then we went upstairs to the club for crawfish races . The betting started and the crawfish were excited. The crawfish were almost all up to the challenge, there were a few that decided not to race. The ones that raced were great, everyone enjoyed them.

The crawfish and shrimp were served until everyone was satisfied. The crawfish was purchased from Slidell Seafood on Fremaux Ave. They were great to work with and gave us a discount. So keep that in mind when you are purchasing seafood. Thanks to everyone who helped and attended the event.

We played Bunco on May 30th and gave a portion of the money to First Mates. Al Normand was the big winner. If you have not come to this event, you need to mark your calendar. We are playing the last Thursday of the month, next one June 27th.

The general meeting of First Mates is June 6th. All members in good standing are encouraged to attend. If you have concerns please come and let the board know.

Last Wednesday I had quite an experience helping out the committee boat. As a racer I have never volunteered for the committee boat, however I found myself drawn to wanting to try it at least once. I must say I have a new found respect for what these men and women do every Wednesday!!! Keep up the great work!!!!
