HAPPY NEW YEAR

WELCOME 2019

Commodore's Corner

Desiree Young

It was a honor and pleasure to have served as the 39th, Commodore of TYC. As our club ups it's game and makes it's way towards another successful year. We have learned what the process is to be successful. Obtaining new members, rentals and having successful events.

This past year we have had 10 new couples and 5 juniors to join TYC. Our rentals have increased and we have had many successful events this year. December 8 was our Christmas party it was well attended. Our New Year's eve party was well attended a fun time was had by all!

It takes volunteers to make all this happen. Please consider volunteering to either chair one of the committees or to assist the chairman in carrying out the functions of that committee. This is your club and if we are going to have socials and activities then we're going to need your help .Please contact Larry Whited if you're interested in volunteering.

TYC's general membership meeting is scheduled for Friday January 18. Please attend this important meeting the swearing in of officers and dinner. I hope everyone has a blessed and prosperous new year.

Cheers

Desiree

First Mates President

Cheryl Perret

I hope everyone has had a very Merry Christmas and looking forward to a prosperous and healthy New Year.

First Mates had their tree trimming on Thursday December 6, and our Christmas present swap along with a few drinks and some good food.

Then we had our Christmas luncheon at Janie Brown's on Friday December 14. We had a very good turn out and the food was just excellent. A fun time was had by all.

Unfortunately, we will not have the "First Mates" next year, but I urge you to still participate in the club. There are still many areas that you can help out. Please contact Larry for all the open positions where you can help make a difference.

Thanks

Cheryl

Happy New Year – may 2019 put wind in your sails and carry you to great places!
Thank you one and all who competed in 2018 and provided support to your RC.

The 2018 TYC Club Series racing awards will be presented at the January 2019 general membership meeting on Friday January 18th. Before the sailing season gets cranked up officially, we plan to have a Wednesday night seminar in January and another in February. One will focus on sailing competition with David Bolyard of Ullman West Wind speaking of tactics to avoid a protest and Karen Reisch reviewing how to prepare for and successfully submit a protest. The other will be a presentation by Frank Bush on how to read and get actionable information from a traditional chart.

Commodore Elect 2019

Larry Whithed

The New Year is upon us. There are lots of challenges and opportunities ahead of us (including the ever present “I’m going to lose that 10 pounds I gained over the holidays”). We have had good response to the call for participation in the Standing Committees but could always use greater participation. It’s YOUR club. The more you participate, the more you will get out of it. If you have not done so yet, please sign up (at the bar) on any committees that you could contribute to. The more members participating, the better the outcome.

A few members of the Entertainment Committee met for the first time on December 20. Jean Almos, Cheri Brady, Laura Curtis, Carole Gillio, and Jan Pecunia were in attendance as well as Cheryl Perret, Barry Statia, and yours truly. Barry is compiling our TYC calendar, which includes other GYA and area functions that impact our potential scheduling of events. He went over the 2019 calendar with the group. It was agreed that Laura would take responsibility for maintaining the calendar. The TYC calendar on the web site has been updated through June, 2019, with the best available information that we have. Laura should be contacted directly to make additions/corrections. A TYC Calendar review is scheduled for March to verify dates for the rest of the year and evaluate what additional changes we might want to make to our scheduling system. I challenged the members to provide 12 “new” events that they would propose to the General Membership in January. They do not have to be functions held at the Club. Two functions I really enjoyed last year were at Pontchartrain Landing and Heritage Park. These did not cost TYC any funds, nor did we “make a profit”. What we DID gain was an enjoyable time with friends and exposing many non-members to TYC. Did we get any new members from those events – not that I know of. All I CAN say is that those events will attract others that have an interest in boating (we are a yacht club) and are looking for a fun social group to share their interest.

Remember to sign up!!!!

See you at the Club.
