Laissez Les Bon Temps Rouler – Happy Carnival everyone.

As I start this New Year as your Commodore, I'm excited to have such wonderful support to make this a great year to be a member of Tammany Yacht Club.

Congratulations to LSU on their Championship win. Members enjoyed good food, comradery and a Championship win, doesn't get any better.

Our next big event is a Super Bowl Fish Fry Party. Tom's fish is some of the best around. The Entertainment Committee is all set for us to have a fun time watching the 49's get beat. (No grudge here). Anyway looking forward to a good game with friends and some fried fish. Come join the fun Sunday Feb 2nd.

To help kick off the year and grow membership, we are **waiving the initiation** fee during the month of February. So if you have friends/neighbors on the fence about joining now is the time. Please spread the word and let's grow our club.

As I mentioned at the General Meeting it takes us all to have a great club. So please reach out to any committee you would like to help with. Even the smallest amount of time can make a difference.

Also with the New Year we are bringing back the First Mate's Club. This time with an emphasis on getting together, socializing and having a good time. Anyone interested please contact the club.

Looking forward; The Pirate Day in the Bay, May 15th – 17th, in Bay St Louis. TYC's first cruise this

spring, make your reservations now. Hope to see a good turn out and don't forget to stop by The Bodega, Parrot Head Bar & Grill, a big supporter of the club.

A Big thanks to our bartenders and house team for all their hard work and dedication.

Calling all First Mates!

We are in the process of starting back the ladies auxiliary otherwise known as the First Mates. We would like to invite each of you to join. Our annual dues will be as in the past \$30.00 per year. We are starting to collect the dues. You can charge to your account, or you can send in a check. Dues will be accepted at the register.

Please email me at csperrret@gmail.com or call me if you have any questions 504-450-4819

We will allow a month to collect dues, then we will be back in touch with you in order to call a meeting. At which time we will accept nominations for the new board.

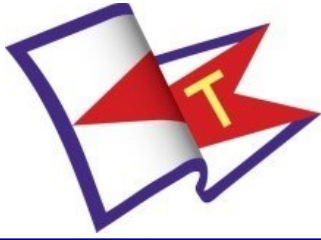

I do not have everyone's address, so please pass on the word

Thanks,
Cheryl Perret

Past Commodore

Larry Whited

Now that Frank has taken over the responsibilities of TYC Commodore, I have had more time to reflect on this past year. I received an incredible amount of support from the TYC family. Whether it was deciding menus, preparing food (entrees, salads and desserts), grilling steaks, providing needed advice and guidance, cleaning up after functions, helping with club maintenance, running programs, directing events, administrative and financial support, the list goes on and on . I thank again all that gave their time and effort to the Club.

I would be remiss if I did not single out two individuals that gave me special assistance. First on the list is my wife, Carol. She never once, (well maybe once), complained about the time I spent on Club duties. Moreover, she jumped in and took over any area that she saw needed some help. From weekly laundering of the bar towels, to cleaning the kitchen, reorganizing (many times) the tablecloths and napkins shelves, helping decorate the club and supporting me at every junction. Thank you, Carol.

The second lady I want to recognize is Suzy Sale. I have a special connection with Suzy. I moved to Slidell the second time in 1995 and happened to buy a house next door to Suzy and Herb. As a single person in that house, Suzy wanted to make sure I was well fed and she often invited me to eat with them. Then, even better, I got to take home the leftovers. That's when I learned what an incredible cook she is. She was also concerned about my social life, invited me for dinner and it just happened the Carol was there also. Beginning to see the connection? Carol and I eventually were married in Herb and Suzy's house. Getting back to TYC, anyone that doesn't take advantage of Suzy's culinary expertise on Thursday's "Good Eats" is really missing out. She puts a lot of time and effort planning and executing the menus. The Club and I thank you, Suzy.

And thanks again to ALL the members/spouses that supported the Club this past year. I'm looking for to an even better Club this coming year.

See you at the Club.

LEAP INTO THE NEW YEAR

As we start the New Year let us take a new approach to membership.

From now until 29 February 2020, bring in a new member and have the initiation fee waived.

Get all your frind and relatives and let's make a deal. It is an economical approach if they remain members for one year.. If they get new members, even better.

Membership is everyone's obligation.

God Bless America!

Spyglass 2020 is off and running. Thank you to all of our members that have taken the time to send in pictures of events that have taken place around our club. As with every aspect of the club, a team approach is vital to success. With our small staff, volunteers are the backbone of TYC.

I would like to thank Kevin Blank for his guidance and support to me in getting the newsletter to our members. He is always quick to respond and walk me through the challenges I manage to create.

Suzy continues to wow us again this year with her delicious Thursday Good Eats. Suzy began her Thursday dinners under Commodore Young, continued through Commodore Whited and will keep bringing us together with Commodore Bush. The turnout continues to grow but it is first come, first serve and the dinner bell rings at 6:30 pm.

Cheryl Perret is restarting First Mates. The focus will be social this year. This will provide a good platform to recruit help for the entertainment committee and bring the ladies together to socialize. Dues are being collected during February. Thank you Cheryl for this effort.

Leap into the year Membership Drive is in full swing. Initial membership application fee will be waived during the month of February. A pot luck dinner will finish up the drive in the beginning of March. Photos for the Membership Directory will be taken- We hope to see new members helping our club grow.

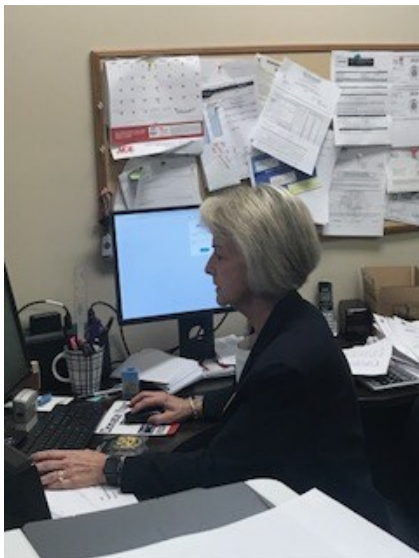

Keep the pictures and articles coming. Thanks to all who have contributed.
