## Activities Return to the Yacht Club

It has been great to see so many people enjoying the club. The LPRC racers relayed what a good time they had. The two races on Saturday were competitive and the awards were presented at the club that night with good attendance. The distance race Sunday started off nice but then the wind died which made for a long day getting across the lake. Awards were presented at New Orleans Yacht Club.

We are having a Disco Party this coming Saturday, the 7<sup>th</sup>. Another chance to dust off some of those Disco outfits hanging in the back of the closet, I know mine will still fit, ha.

We are working on getting back to having some of our normal events. Keep your eye on the calendar.

The Christmas Boat Parade is right around the corner, Dec 19<sup>th</sup>. So time to make sure those light work. Looking for a great turn out this year.

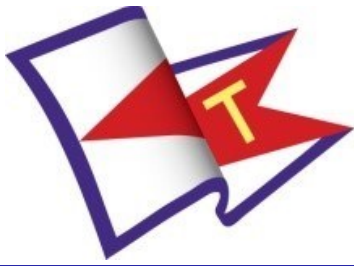

These activities are what make the club such a fun place to be. It takes some planning and organization to make them happen. As we enter a new year I am looking for committee member to help make these things happen. It takes us all to be involved a little. So if you have ideas you would like to make happen please contact myself or any of the board members and let's make them happen.

I do want to thank the membership for their trust in me to lead us through another year.

Your commodore,

Frank

### CRAZY TIME 4.1

We continue to operate the Club under the latest State mandated Covid-19 rules. The operative word is “operate.” As a reminder, drinks CAN NOT be served after 10:00 pm and we must close at 11:00 or sooner. Please do NOT ask the staff to violate this edict.

We have had some rentals which is always good news and TYC Entertainment Committee functions are beginning to show up on the TYC Calendar. Be sure to check back regularly and attend the events.

Here’s hoping everyone had a “Boo-ty-full” (two puns in one!) “All Hallows Eve”, free from the evil and sinister C-virus.

Be smart, protect yourselves and others.

See you at the Club.

House Co-chair

## Entertainment

Jan Lemaire

### Entertainment:

We are slowly moving toward a more normal schedule of events at the Club. We had our nod to Halloween on October 10<sup>th</sup>—a short notice event because of our notice that we could open. It was the weekend of Cruising the Coast so membership had to make a choice. Though we had a small crowd, we had fun. Brenda was there to serve heavy Hors d'oeuvres and our incomparable bar staff was serving for the evening. We have our disco Party on November 7<sup>th</sup> with Rockin' Rob Juneau spinning the platters from 7-10 pm. Brenda will be on hand to serve typical 50's food and it promises to be a great evening. Please sign up for the evening on the list at the bar or call and leave a message with your desire to attend and how many you will be bringing.

We will also have a New Year's Eve Party—it will be casual, but we will have Daniel Jamieson of the Good Time DJs on hand to provide music for your dancing pleasure. Brenda will again be on hand to serve from a selection from an as yet to be determined menu and there will be a sigh of relief as we bid the year 2020 farewell! Look for more information in the near future.

### Membership Directory

The Membership Directory has been published and is online. Kevin Blank, our webmaster, sent an email with instructions on resetting your password for the Club site so you can access the Directory electronically. I haven't seen it as yet as I have yet to get the information—small glitch! Those that have seen it say it looks good. It was a labor of love to be sure. Thanks to all who sent me information when I asked for it. It was truly a cooperative effort. Thank You, Kevin for making it look so professional.

## You are Invited to a Disco Party!!

November 7, 2020 from 7-10 PM at the Club. We have booked Rockin' Rob Juneau to provide DJ services and a great Disco experience.

The charge will be \$15 per person. Brenda will be on hand to serve a selection of Disco era food and of course our magnificent Bar Servers will be there to serve great drinks!

Come join us on **Saturday, November 7<sup>th</sup> from 7-10pm** for a great night of dancing and socializing.

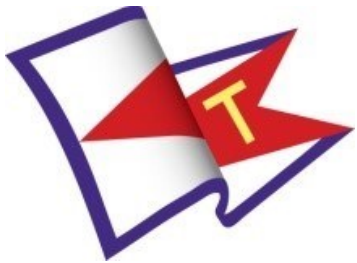

A reminder that we are continuing to socially distance where possible and appropriate and we ask you to wear a mask when appropriate also.

**LOOKING FORWARD TO SEEING YOU THERE.**

Please remember to sign up by calling the club.

Covid restrictions are in effect.

# Juniors

## Sandy Stone

Congratulations to our Junior Sailing Team for crewing in LPRC on Crazy Diamond and Seduisant.

The Juniors Yard survived Hurricane Zeta. There was a lot of debris that was blown or floated into the yard but the boats and lockers were undamaged.

Let's hope we have seen the last of storms this year.

## Editor's Comments

Peggy Stone

I would like to give a very special thank you to Mark Phillips for the wonderful photos from LPRC.

I hope everyone has recovered from Hurricane Zeta. Slidell was spared extensive damage but sadly the Mississippi Gulf Coast was not as fortunate. Anyone considering using the marinas to our east should call first. Many are closed or restrict access. Also, be aware that docking at Mandeville is not possible at this time due to reconstruction of the seawall.

Please remember our Veterans this November 11. I wish everyone a pleasant Thanksgiving. In these difficult times, gratitude brings us happiness.
