Change

I've always been told "change is good". Working in the retail environment, change happens every season. With the club, things seem to have stayed the same for a while, "that's the way we've always done it". Well, we are Changing. We have a new House Chairperson, Cheryl Perret, a new Bar Manager, Courtney Macbeth and a new Treasurer, Kyle Bowser all of which are bringing new ideas, processes and procedures to the club which I think is great. A lot of the changes you may not notice but it will make our processes more efficient and our accounting systems work together better. Some you will see, like being able to pay your bill online.

Our Membership Chairperson, Dave Lemaire, has sourced a new supplier for embroidered apparel. I've already gotten a couple of shirts to check out the quality and I think everyone will like them. Coming soon to the display case in the bar area, so be on the lookout.

We are sponsoring our First ever "Mystic Knights of Light" a Mardi Gras Lighted Boat Parade February 13th. Another opportunity to get out and enjoy the water. If you haven't signed up, now's your chance. The application is on our website.

I'm still looking for members to step up and participate on a committee to help bring more change. So please join a committee you are interested in and help us plan an exciting year.

Let's remember to take care of ourselves and follow the CDC's guidelines to help stop the spread. We have masks, a thermometer and hand sanitizer at the door for your use.

Your Commodore,

Frank

A note from your new manager:

Hello Members! I am so excited to be your new Manager! Please know that I am here to help make your club experiences amazing!

Whether its to book and execute a club rental, inquire about a member event or create a new beverage; I am always up for the challenge! I hope this new year will bring us back to “normal” and allow us all to fully enjoy the club and each other.

I look forward to seeing yall in the club and continuing to move forward for the betterment of this amazing place.

Cheers!

Courtney Macbeth

TYC Summer Sailing Program

Parents/Grandparents – This summer, get your kids away from the Nintendo and the iPad. They can be outdoors with other kids learning a lifelong skill and a fun, non-impact sport that promotes both teamwork and self-reliance. Girls participate on an equal footing with boys. See the smiles on their faces when they learn they can control a boat by themselves using only the wind, and see the boost in their self-confidence that extends into all areas of their life, including school.

Kids – Come get out on the water, splash around, make new friends, and learn something really different. And have FUN doing it! It's not hard, any kid that wants to can learn. By the end of the session, you can be sailing your own boat, playing water tag with the other kids. Bigger kids can learn how to race. (It's an Olympic event) No previous boating experience is necessary. Age limits are generally from 7 to 15. Kids should be in reasonable physical condition (a medical release form is necessary), be comfortable in and around the water, and know how to swim. They should provide their own life jacket, to make sure it fits well. The club provides the boats and other gear.

Each session is two weeks long, Monday through Friday from 9 am – 4 pm

Sail Camp Pricing:

Child/Family Member of TYC Member: \$400 / session

Non-Member: \$450 / Session

A \$30 discount will apply to multiple sailors/sessions

A deposit of \$100 is required to reserve your spot in our program.

IMPORTANT Due to social distancing and related precautions, we may very well have to limit class sizes, and accept registrations on a first-come-first-served basis. Please register as soon as possible!

More information is on the website at:

Editor's Comments

Courtney Macbeth

Me again! Happy to be taking over the Spyglass from Peggy Stone. I will do my best to fill the very large shoes she has left behind! Bear with me as I learn the lay of the spyglass land! I am excited to bring you all the most current information regarding your club! If you have anything you would like to include in the next addition, be sure to get it over to me before the 25th of each month for review and implementation. As with every aspect of the club, a team approach is vital to success. With our small staff, volunteers are the backbone of TYC!

I would like to thank Kevin Blank for his guidance and support while getting me up to speed on the tech side of my new role. I would like to thank Cheryl Perret and Kyle Bowser for all the continued support as we work towards an even better system. Of course a huge thank you to our Commodore Frank for his confidence in me and to all the members for being so supportive and excited for me as the manager.

What a wonderful thing it is to truly enjoy coming in to work. I hope to see yall soon!

Cheers!

Courtney Macbeth
