Give Me More Spring Weather

These past few days of nice weather have been nice. It makes me want to get out on the water, which is perfect. We have the Spring Race Series starting March 17 th . Followed by Two Against the Lake March 20 th . It's time to start that spring maintenance and get those boats ready.

I'd like to Thank all of the participants of the First Annual Mardi Gras Nights of Light parade, and to Kyle for pulling it together. Lots of good comments on the Neighbor app, seems like it was enjoyed by a lot of our neighbors.

Our first Triple T (Treats & Thirsty Thursday) was a huge success. Lots of very good food along with some fine desert by Michael brought in a large crowd. It was nice to see so much participation. I am still looking for some members of the entertainment committee so we can organize more events like that.

We are working on organizing our first fishing tournament. As we get more organized I will keep you informed. Tentative date is May 15 th and it will be held at the Pointe.

It is YOUR club so please get involved in a committee or event you are interested in and let's make it happen.

Hope to see you on the water and at the club.

Your Commodore,

Frank

Race Committee

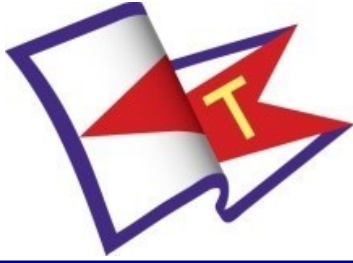

Kyle Bowser

The 2021 race season starts in two weeks with a 7:00 sign up and skippers meeting at Tammany Yacht Club on Wednesday Night, March 10th . This will be an informal meeting where we discuss the race procedures and we encourage anyone interested in sailing, be it for pleasure or competition to stop by the club that night. The following week we start racing with the first of twelve Wednesday night races, broken into two 6-night series. The first series will be a simple triangle course where all boats sail non-spinnaker on the same course.

The second series will have both spinnaker and non-spinnaker classes with a windward / leeward course for the spinnaker boats and a triangle course for the non-spinnaker class. After each evening of racing, everyone is invited back to the club for drinks and burgers.

On Saturday, March 20th TYC will host its annual Two Against the Lake Race. There will be a skipper's meeting for this event on Friday evening starting at 7:00 pm. This event has a long history, and we encourage all sailors to put together a two-crew team and get out on the water. There will be both Spinnaker and Non-Spinnaker Classes with special awards for the 1st TYC boat to finish, 1st Male/Female team corrected time, 1st Parent/Child corrected time, 1st all Female team corrected time, and 1st Masters Team corrected time, that being a crew with a combined age exceeding 120 years.

House Committee

A note from your manager:

Hello Members! I am so thrilled to see more and more of your faces as the Covid guidelines lessen and we begin to return to “normal”, whatever that may be. I am so pleased to introduce to you “Triple T” (Tasty Thirsty Thursdays). “Triple T” is a member born idea! Every Thursday we encourage members to bring a treat/potluck type item to share with others. The emphasis is on appetizer style vittles. No need to prepare a feast! We will have a drink special and enjoy a great time! Each Thursday will have a different drink special!

This is just another example of what we are implementing at your club. Stay tuned for even more awesome events. See you soon!

Cheers!
